

## **Life Lessons from a Mom** **1 Samuel 1 & 2**

The life of Hannah teaches us three critical lessons:

**1. Life does not go as we \_\_\_\_\_ - 1 Samuel 1:1-2**

- Hannah being barren or having to share her husband with another woman was not her plan.

**2. God uses \_\_\_\_\_ to prepare us for His plan – 1:6-11; 2:12-22**

**3. We can surrender to God's \_\_\_\_\_, trusting His plan– 2:1-10**

It takes \_\_\_\_\_ of \_\_\_\_\_ to see the hidden operation of God's love or the hidden opportunities for our growth.

God is always the infinite reality of \_\_\_\_\_  
and the infinite reality of \_\_\_\_\_; therefore,  
we have nothing to fear at any moment of our lives.

Being mindful of this makes it possible to  
abandon ourselves to the will of God.
